FHM Student Computer/Internet Use Acknowledgment Form

No student shall be allowed to use school computers or the Internet until the student and parent/guardian have signed and returned this acknowledgment to the school. FHM provides tech devices as needed for classroom use to students at all levels. Please review the policy and communicate it to your child, to his/her level of understanding. *All students should personally sign this form to the best of their ability (even if it is only a mark from our Primary students).*

Know that the safety and security of our students is our top priority. If you have any questions or concerns, please refer them to our IT Coordinator, Luke Mund, at lmund@jeffcoschools.us .
