Session 2 includes:

Unsolved Science - Science Matters needs your help to solve the Unsolved Science Mystery! Use forensic science skills to solve the mystery and become a Chemical Detective! Create your own Chemical Detective Kit, lift and identify crime scene fingerprints, reveal secret messages, extract DNA, and discover more forensic science techniques used in crime scene investigations! In this club, you can become a Science Super Sleuth. Can you help explain unsolved science?

My Amazing Flying Machine - Zoom your way into this high flying club. Speed your way through the four forces of flight by making a ping pong ball float, designing your own parachute, sending rockets into the atmosphere, building your own plane, and much more. Soar your way through this aerodynamic club. May the four forces of flight be with you!
