Authorization for Emergency Medical Care

In the event of illness or emergency, the school will attempt to reach parents/guardians or one of the people listed as Emergency Contacts, but if none of these people can be reached, the school personnel have my permission to use discretion in securing emergency medical aid. I give FHM, licensed by the Colorado Department of Human Services, the Division of Child Care, permission to secure emergency medical and/or surgical treatment for the above named minor child while in care. **IT IS UNDERSTOOD THAT NEITHER THE SCHOOL NOR THE PERSON RESPONSIBLE FOR OBTAINING THE MEDICAL AID WILL BE RESPONSIBLE FOR THE EXPENSE INCURRED.** To the best of my knowledge, the above information is correct. I agree to and approve all information.

FHM Statements of Permission and Understanding

I hereby provide permission for the above named minor child to participate in the following activities as related to school and/or programs (including camps, child care, etc.) at Free Horizon Montessori:

Waiver for Participation: I, as the parent/guardian give permission for the above named minor child to participate in any class or program offered by Free Horizon Montessori that is deemed by FHM staff to be age appropriate (including, but not limited to: attending music/drama/other performances, assemblies, interactive workshops, on-site activities lead by specialist instructors). I acknowledge that the activities carried on in the program have certain risks for the participant. I will independently review and evaluate the risks and determine to engage in each program with full knowledge and acceptance of the risks. I agree to and hereby release and forever discharge Free Horizon Montessori, and the officers, employees, agents, and volunteers from any and all liability for damages, loss, or personal injury arising out of or related to registrant's participation in such programs.

Field Trips & Special Activities/Transportation: I give permission for my child to participate in walks and/or short field trips (walking distance) away from the school property as deemed appropriate by FHM staff and within my child's scheduled day. I give permission for my child to attend field trips and participate in special activities as listed on my child's Field Trip Permission Form (or Program Calendar/Enrollment Form) including, but not limited to: bus trips, walking trips and on site programs provided by FHM staff and outside vendors.

Classroom Materials: As a Montessori School and associate member of the American Montessori Society, many of the classroom materials at FHM differ from those in traditional schools, particularly for Primary students. I acknowledge that there may be small, breakable materials which pose a potential choking, inhalation or laceration hazard to my child. I accept that these materials are essential to my child's Montessori education, and will be used under supervision of trained teachers and staff. I give permission for my child to use Montessori Classroom Materials including, but not limited to: glassware, ceramic dishes, sewing needles, small beads, etc. as deemed appropriate by FHM teachers and staff for educational purposes.

Sunscreen: Children need to have sunscreen on before coming to school or camp. FHM will provide opportunities for children to reapply sunscreen under adult supervision at regular intervals during the day as needed. This is typically prior to lunch/playground time. Each family is to supply a bottle of **SPF 45 sunscreen** or higher to FHM, labeled with their child's first and last name, and replenish throughout the year as needed (spray-type bottles preferred). Sunscreen must be given to FHM staff – children may not retain sunscreen, lotion, lip balm, sanitizer or similar products in their cubbies or backpacks. (*Sunscreen or "other sun protection" required per CDHS licensing reg. 7.702.52.D.1*). I give permission for my child to apply sunscreen at FHM while under the supervision of an adult. I understand that I am responsible for providing FHM with sunscreen for my child.

Specials: To enrich our students' academic experiences, FHM offers five "specials" classes: art, music, technology, physical education, and library. These classes are taught by CDE licensed specialist teachers. For purposes of FHM's child care license, Primary students attending specials do so as an "enrichment program", outside of the licensed portion of their day. I give permission for my child to attend specials under supervision of the specialist teachers in the classroom appropriate for each specials class, or my child is exempt (1-8th gr).

I understand and agree to the above statements.
