First Day of School

All students will gather on the playground with their classroom teachers on August 20th. Look for teachers holding classroom signs. This is the place for a quick hug and photo before we all go in together to start our day.

Carline

All carline numbers are new this year. Still need a carline number? Pick it up while in afternoon carline on the corner of 10th Ave. and Nile St.

**Please do not queue up for carline on Nile St. until it begins and please do not use 10th Ave. for carline. **

Remember to allow plenty of time for both drop-off and pick-up, as it usually takes longer the first couple of weeks. In the morning, primary children will enter the playground area. Elementary students will go in their main doors and middle school students will walk along the sidewalk and enter through the school's front doors.

When entering carline, turn off of Colfax on to Moss St. Turn LEFT onto 9th Ave. then RIGHT onto Nile St. to enter the carline queue.

When exiting carline, turn right out of the parking lot and. Cars turning **EAST** on Colfax turn LEFT on 9th Avenue, RIGHT on Moss Street, then LEFT on Colfax at the light. Cars turning **WEST** on Colfax, turn RIGHT on 9th Avenue and follow it around to turn RIGHT on Colfax.

At this time, we are unable to support walkups. We will readdress at a later date. We are focusing on ensuring the carline procedures are safe. After many conversations with Jeffco School District, PV Fire, & community members, we did not find a safe place for walkup. When parking near the school, please be mindful of the traffic signs, do not block neighbors' driveways, do not park in fire lanes, and remember that 10th Avenue is ONE WAY for cars, but BOTH WAYS for bikes. We want to be a good neighbor and respect those living near the school. During Back to School night, police were called and gave out tickets to those parked too close to driveways. Parked cars must be 5 feet from the end of a driveway.

If walking or biking to school, please be sure to only use the crosswalks and sidewalks.

FHM NEW School Lunch Program

We are using the new lunch program through the district. Set up a profile and make a pre-payment at SchoolCafe.com. Students will make their choice in the lunch line and do not pre-order. Monthly [lunch menus are posted on the Jeffco website](#).

This year at Free Horizon we are moving away from calling our classrooms by level and number, such as LE1. Our classrooms have adopted new names that match something in Colorado: Primary classes are named after Colorado flowers, Lower Elementary after Colorado towns, Upper Elementary after Colorado mountain ranges, and Middle School after a Colorado bird of prey. Here is the list of teachers and their classrooms.
