AC4

We will be putting more of an emphasis on STEM-based activities, especially during the winter months as we are more limited on our outdoor time.

Lego Stop Motion is coming back!

We will also be working with Mr. Sam on the school music video! Stay tuned for more STEM-activities and events in AC4.

Welcome to 2018!

Before Care

For January, BC will be participating in student surveys once again. Our crafts will have a winter theme with snowflakes and snow people. We are hoping for a very cold day, so that we can freeze bubbles! All about me posters will be created and displayed throughout the school. The children will be competing to stack objects as high as possible using items such as Legos, pennies, marshmallows, and balloons.

Daily Reminders

- Weather is changing; please make sure your child has the proper attire.
- PLEASE NO TOYS FROM HOME, unless we notify you about having a day where they can bring something.
- Once you have signed out your child, they are your responsibility. We are not responsible for after care siblings that do not attend FHM programs when on the playground for dismissal.
- Please pick up your child by 6 pm.
- Because of the time change, it is dark by 5:30 pm, so dismissal will be in LE5 or the PE room. We will no longer have dismissal on the primary playground. If you arrive prior to 5:30 please pick up students in their aftercare classroom (LE5, UE4, P1 or P2).
