Before and After Care (BAC)

AC1

November is the month of gratitude and thanksgiving! It's time to say how grateful we are for what we have and what we love. We will be using our creativity to portray this festive season in most colorful ways!

1st week: Turkey Hats
2nd week: The tree of Gratitude
3rd week: Painted Turkey

AC2

Dear Kinder Parents,

The month of November is full of thanks and gratitude. Nov. 10 is Veterans day, so that week we will be learning a little about veterans. To show veterans our gratitude we will paint them pictures that I will give to the USO to give to soldiers. The week after we will think about the wonderful things in our life and making thankful turkey books. The last week of November we will learn about snowmen or scarecrows depending on weather.

Upcoming Events/Reminders

1. Weather is changing; please make sure your child has the proper attire.
2. PLEASE NO TOYS FROM HOME, unless we notify you about having a day where they can bring something.
3. Please keep BAC Code confidential, your kid should not know the code.
4. Once you have signed out your child, they are your responsibility. We are not responsible for after care siblings that do not attend FHM programs when on the playground for dismissal.
5. Please pick up your child by 6 pm.
6. Because of the time change, it is dark by 5:30 pm, so dismissal will be in LE5 or the PE room. We will no longer have dismissal on the primary playground. If arrive prior to 5:30 please pick up students in their aftercare classroom (LE5,UE4,P1 or P2)
7. Please do not bring toys from home unless we have a planned day where they can do so.
