SCHOOL NEWS

- ◆ **October 5 Student Count Day**
The most important action you can take to support FHM's funding is to ensure your student attends school on this Wednesday. Much of public education funding from the State of Colorado is based on student count, and the official student count day this year is **Wednesday, October 5**. Please help us ensure all our students are accurately counted by having your student in class that day. Thank you for your support of Free Horizon Montessori!
