Grade Fall 2016

ELECTIVE CLASSES:

Students must be enrolled in two elective classes each semester - one elective on Monday/Thursday and one elective on Tuesday/Friday. Please rank preferences in order from 1 - 3 with 1 being the highest for each set of electives based on day offered (M/Th and T/F). Please note choir and band/orchestra are year-long classes and have one fee for the entire year. (Mr. Tony will host a student workshop for instrumental exploration on April 22nd.) Every effort will be given to enroll students in their first or second choice, however, each course has a maximum number of students that can be accepted. Fees are listed next to course titles below. Fees are due at the beginning of next school year during registration. See the Course Catalog (FreeHorizon.org/MSCatalog) for complete course descriptions.

Please complete a separate Registration Form for each student. Note that the Choice of Studies form must be signed by both the student and a parent/guardian. If you fail to submit a Choice of Studies form, your core classes will be assigned by our Middle School teachers and you will be placed in electives based on space availability. If you have questions, please contact Bree Goans, Assistant Principal, at sgoans@jeffcoschools.us.

CORE CLASSES:

All Middle School students must enroll in one course in each of the following content areas: Many content areas offer an Honors option, which requires additional work from students enrolled in that track and signature of their current teacher in that subject area. If you wish to be in 'honors' please have current teacher complete the recommendation form at Honors.FreeHorizon.org.
