***Course Description**

Golden Tae Kwon Do is excited to provide a Martial Arts Program for Free Horizon Montessori. Golden Tae Kwon Do's Martial Arts program for children is specifically designed to address the needs of your child, based on his/her physical and emotional maturity.

Highlights of the program:

1. **Lessons of the week:** your child will learn such words as self-discipline, courtesy, and respect, and how to apply these at school and home.
2. **Achievement program:** every end of the session the student can test for next rank and also earn stripes for good grades, helping at home, and leadership activities, as well as Tae Kwon Do activities.
3. **Teaching system:** our experience shows that kids become more interested in learning and having a winning attitude in everything they do.
4. **Professional instructors:** our instructors specialize in motivating children to be their best, in a friendly and positive atmosphere.
