<p><i>*In accordance with the Colorado Open Meetings Law, also known as the Sunshine Law, the Board must give notice to the public anytime they schedule a meeting of more than three (3) board members to discuss business concerning the school. The Colorado Sunshine law does allow for the meetings, or portions of the meetings, to be held privately when the subject matter being discussed must remain confidential so long as no formal action is taken during the private portion of the meeting, called the "executive session." The Sunshine Law strictly defines eight criteria under which a private, Executive Session can be held, personnel discussions being one of them. The law also states the community must be informed of the meeting and the criteria under which an executive session must be called.</i></p>
