Topics of Discussion

Staff Survey

54 staff members took the survey. Short review of the responses. The comments had not been opened for review. Morgan will build a summary of the top five and bottom five responses similar to the family survey summary. Assimilation of new staff members into the FHM culture and the use of testing data were among the lower scores.

Review the draft presentation for the Annual School Meeting of SAC activities and findings. Morgan and Bree will polish the draft and Morgan will present.

Board Update

Changes to BOD elections next year. BOD will be 7 members instead of 9 to help ensure fully active and participating members. New this year staff and Admin will be allowed to vote as voting will be done electronically. The budget will remain mostly the same with a small increase in teacher training.
