

Free Horizon Montessori Surplus Technology Program Application

Purpose: The Surplus Technology Program was developed to repurpose retired, useful technology equipment from Free Horizon Montessori to eligible students on an as needed basis.

Eligibility:

- Must be a student 1st through 8th grade
- Must demonstrate a need for the technology
- Only one student is eligible per family per round

Categories of prioritization of applications:

- Free and Reduced Lunch eligible
- Higher grade students
- Student is in good academic standing
- Students that are currently enrolled in Free Horizon Montessori

Process: Students with the support of their family must turn in a completed application to the FHM office by the September 1st of each year (round 1) or February 1 (round 2). Each application will be blindly reviewed and scored by the Technology Committee.

Upon approval, the applicants will be notified and must collect their device(s) in person or designate in writing a pick-up person. Devices will not be mailed to recipients under any circumstances.

Please Note:

- Recipients will receive a complete system "As Is."
- Each system is returned to factory defaults.
- The IT Department will not be responsible for the maintenance or repair of any repurposed computer systems once they are disbursed.
