

FAMILY LAB

Technology Safety & Your Family

Take an hour out of your busy schedule and attend a presentation by the Jefferson County Sheriff's CHEEZO unit (cheezo.org) to learn what you can do to make your use of technology safer.

- Do you know the dangers your children face when using their cell phones, iPads and iPods?
- What is Geotagging?
- Do you know the legal consequences and social consequences of sexting?
- What apps are your teens using that you don't know about?
- What about hidden or ghost apps?
- Do your kids "KIK"?

Learn the answers to these questions and a whole lot more!

Monday, Sept. 25 | 5:30 - 6:30 p.m.

Suitable for: Adults

Golden Library
